

Panel discussion

Linking WMO RD&D programmes in different stages with the IGD-TP

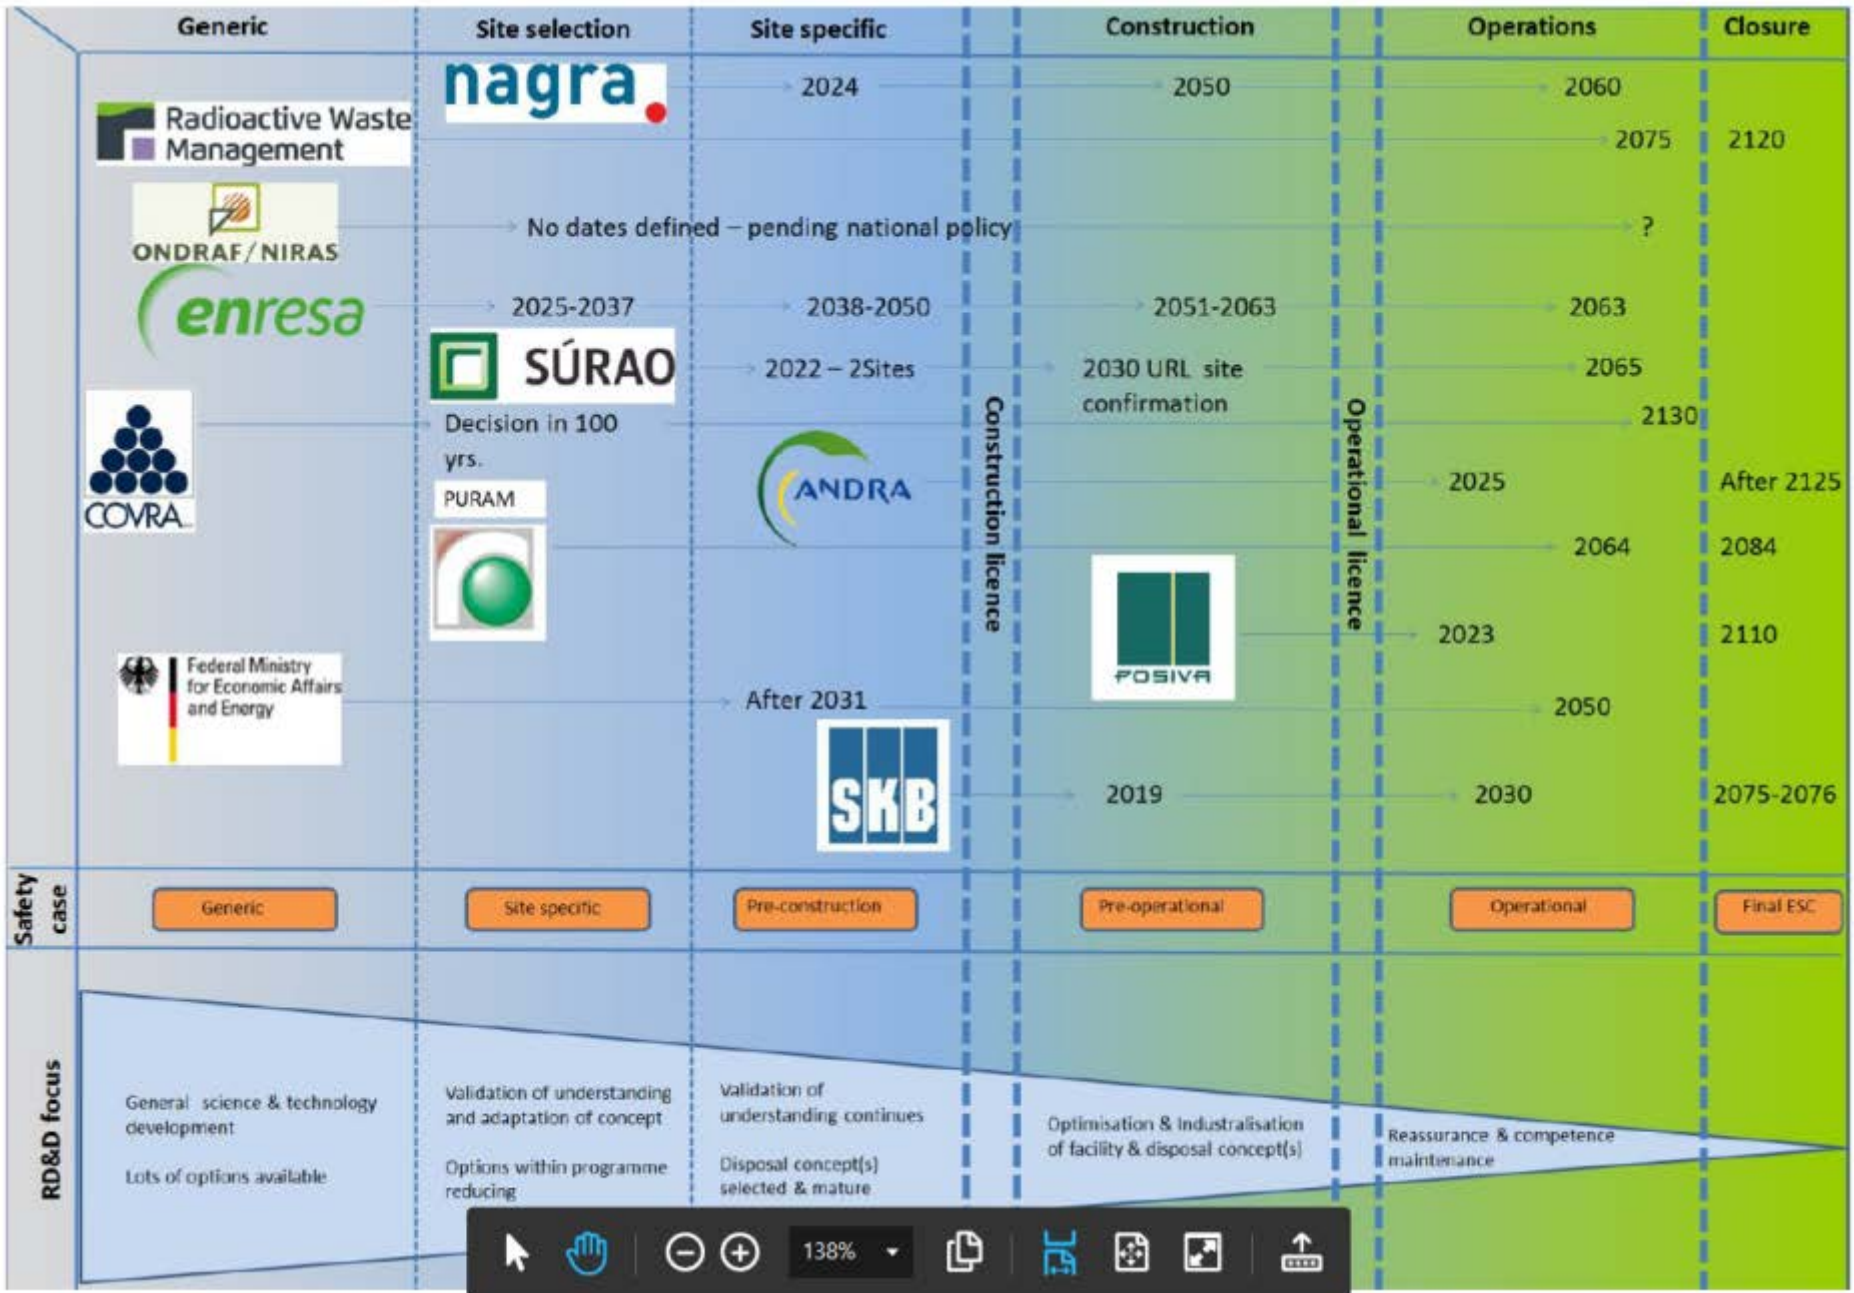

The research leading to these results has received funding from the European Union's European Atomic Energy Community's (Euratom) Seventh Framework programme FP7 (2007-2013) under grant agreements n°249396, SecIGD, and n°323260, SecIGD2.

Short presentations by selected WMOs on their programme stage, RD&D priorities and their drivers

Discussion with the panellists on

- How to tackle these RD&D priorities in general
- Which role the IGD-TP can/should play in this

The research leading to these results has received funding from the European Union's European Atomic Energy Community's (Euratom) Seventh Framework programme FP7 (2007-2013) under grant agreements n°249396, SecIGD, and n°323260, SecIGD2.

Navigation controls: mouse cursor, hand icon, zoom in (+), zoom out (-), 138% zoom level, print icon, and other utility icons.

Thank you
