

Save the date for the final MIND Project Annual Meeting 2019

Stockholm, Sweden, May 7th to 9th

The Mind project would hereby like to invite you and your colleagues to the final **MIND Project Annual Meeting** which is scheduled to take place in **Stockholm, Sweden on the 7th to 9th of May**. The venue is **the Vattenfall building in Solna**.

Proposed themes of the sessions

1. Radionuclide interactions with bacteria
2. Microbially induced organic waste matrix degradation and gas generation
3. Microbially induced corrosion of metal canisters
4. Microbially induced clay and concrete degradation (including diversity and activity)
5. Microbial processes in the deep biosphere that could have implications on SA/PA

More information will soon be available on our webpage: www.mind15.eu
