ODPADŮ

## EF3

- EF3 Paris, 2012
  - ✓ One day meeting
  - ✓ Two parallel sessions
    - One technical session
    - One session on stakeholder involvement
  - ✓ Not satisfactory because
    - Not enough time for discussion (technical WG)
    - Too many subjects in a technical session
    - Not enough time for the chairman to draft the conclusions

# EF 4

- EF4 Prague, 2013
  - ✓ Two-day meeting
  - ✓ Three plenary sessions
  - ✓ Five technical parallel sessions
    - Parallel session on two days (20- 35 p per session)
  - ✓ One commission session for the Chair and the rapporteurs
  
  - ✓ What do you think?
    - Enough time for presentation?
    - Enough time for discussion?
    - Size of the WG appropriate?

## EF 5

### ➤ EF5, Stockholm 2014

- ✓ Two-day meeting ?
- ✓ How many technical parallel sessions?
- ✓ Technical session on cross-cutting activities (CMET, NKM, Dissemination)?
  
- ✓ Send your comments and wishes at :
