## DELIVERABLE D1.12

Webinar 2

Author(s)/Editor(s): A. Valls and L. Duro (Amphos 21)

Date of issue of this report: **30/05/2019**

Report number of pages: 3 p

Start date of project: **01/06/2017**

Duration: 48 Months

Project co-funded by the European Commission under the Euratom Research and Training Programme on Nuclear Energy within the Horizon 2020 Framework Programme		
Dissemination Level		
<b>PU</b>	Public	X
<b>PP</b>	Restricted to other programme participants (including the Commission Services)	
<b>RE</b>	Restricted to a group specified by the partners of the Disco project	
<b>CO</b>	Confidential, only for partners of the Disco project	

## 1 1<sup>st</sup> Webinar description

During the last year, 10 people show interest on seeing the presentation Kastriot Spahiu gave in the frame of the 1<sup>st</sup> webinar. Three of them come from organizations external from the project:

- Uppsala University (Sweden)
- PNNL (USA)
- EPSRC (UK)

The project officer has also requested the webinar.

## 2 2<sup>nd</sup> Webinar description

DISCO webinars are organized in conjunction with the Annual Meetings of the project, as described in Deliverable 1.4 (*Plan for Webinars*). The 2<sup>nd</sup> Webinar took place on May 28<sup>th</sup>, 2019 at 16:00 h during the 2<sup>nd</sup> Annual Meeting held in Cologne (27-29<sup>th</sup> May 2019).

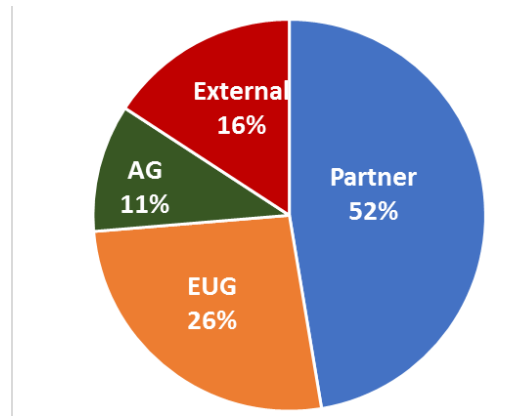

The details of the 2<sup>nd</sup> Webinar of the DisCo project are presented in Table 1.

*Table 1: Details of the Webinar.*

<b>TITLE</b>	Factors Affecting the Dissolution of Spent Nuclear Fuel
<b>PRESENTER</b>	Brady Hanson (PNNL, USA)
<b>DATE</b>	28-05-2019, 16:00h
<b>DURATION</b>	1 hour
<b>REGISTRATION</b>	Free

The 49 participants of the project meeting attended the webinar in-person. 19 people followed the webinar online, via the Webex platform. Figure 1 shows that most of the online participants (>80%) are members from DisCo Consortium organizations (i.e., partner, EUG (End-User-Group) or Associated Group (AG)). The webinar was followed by 3 people from the following organizations that are external to the project:

- Washington State University (USA)
- Wood (UK)

**Figure 1:** Type of online participants: (1) Partner, (2) EUG, (3) AG and (4) External to the project.

The webinar was digitally recorded and it will be available under demand. Interested people should send an email to Alba Valls from Amphos 21 ([alba.valls@amphos21.com](mailto:alba.valls@amphos21.com)) providing the following details: name, organization, country and email. The number of requests will be presented at the deliverable corresponding to the 3<sup>rd</sup> Webinar.

### 3 The 3<sup>rd</sup> Webinar

The forthcoming webinar will take place next May 2020 in conjunction with the 3<sup>rd</sup> Annual Meeting of the DisCo project.

More details on the webinar subject and the presenter will be available at the project webpage in March-April 2019 (<https://disco-h2020.eu/Home/Webinars>).
