By bus

Bus route 48 (from the city centre, bus stop "Opéra") or 58 (from the Liège-Guillemins train station).

Follow the direction "Sart-Tilman CHU".

Get off at the bus stop "Polytech", immediately after the turn off of Boulevard de Colonster.

To get to it, you have to go down the Allée de la Découverte, then take the pedestrian access on your right.

The B37 building – Institut de Mathématiques is right in front of you.

Journey time: about 30 minutes (depending on traffic).

By car

- **Coming from the E40 or the E42**

At the interchange in Loncin, follow the E25 "Liège-Luxembourg". A few kilometres further, you will enter the Tunnel de Cointe. Take the first exit "Val Benoit-Seraing". Follow the Meuse river which is on your left. At the roundabout, take the second exit and keep following the river. Just before the Standard football stadium, you have to go under a bridge and turn right immediately after the bridge in order to cross it. In this way, you will continue to follow the direction "Marche". The road (called "route de Sclessin") goes up the Sart-Tilman hill for about 3 kilometres. You have to take the exit "Université de Liège" (2nd exit on the hill).

You will then come to another roundabout. Take the first exit and turn right (direction "ULg/CHU") to enter the campus. This road takes you to a third roundabout (the roundabout of the "Amphis de

l'Europe"). You have to take the first exit (towards the "Boulevard de Colonster"). On your left, you will see a sculpture made of dead trees. The "Allée de la Découverte" is the first road on your right, about fifty meters after the roundabout.

- **Coming from the E25**

Exit 40: Embourg

Follow the directions: ULg Sart Tilman

Enter the campus and follow the directions: B37 (building) or P52 (parking).
