

EURAD-2 2ND WAVE EXCHANGE MEETING

Final Agenda

What? Face-to-face discussion of progress and open issues of potential 2nd wave WPs (templates #2)
Where? OREA Hotel Pyramida Praha, Bělohorská 24, 169 00 Praha 6, Česká Republika
When? 26th November 2025, 13:30 – 18:00 pm (CET)

In the preparation of the meeting, the Bureau has asked all WP CTs and WP Boards of ongoing StSt to provide two slides about the status of their template #2 preparation and foreseen links and interactions with other proposed or ongoing WPs (the Bureau will provide a slide structure). These slides will be presented by the Bureau during the meeting.

Time	What	Who
13:30	Introduction	Bureau
13:40	Current status of templates #2 preparation ≈ 13:40 – 14:00 Part 1 1)EBS Materials, 2) & 3) GEOSCALE (<u>G</u>eosphere models as a tool for improving confidence in <u>s</u>ite <u>c</u>haracterization and <u>a</u>ssessment of <u>l</u>ong term <u>e</u>volution and safety), merged of Integrated site descriptive models & site flow and transport models, 4) THMC Host Rocks ≈ 14:00 – 14:20 Part 2 5) MOGARE, 6) Intelligence (AI)/Machine learning for analysis of site characterisation data and other large datasets, 7) DITUSC proposal, 8) Natural Analogues ≈ 14:20 – 14:40 Part 3 9) CLIMATE proposal, 10) OPTI proposal, 11) Self-powered monitoring systems, 12) Heterogeneous Monitoring (electrochemical and pH conditions) <i>For each part, the Bureau will present 4 templates #2 and then moderate ≈10min of Q/A (addressing notably possible open issues).</i>	Bureau

14:45	Break	
15:00	≈ 15:00 – 15:20 Part 4 13) ECOFRAME, 14) DITOCO proposal, 15) Conditioning matrices for challenging waste streams, 16) SAFEBIT, 17) GENESIS ≈ 15:20 – 15:40 Part 5 18) TOSCA Toxic substances & chemicals, 19) FORSAFF proposal, 20) ASTRA proposal, 21) CSfD extension <i>For each part (in one case 5), the Bureau will present 4 templates #2 and then moderate ≈10min of Q/A (addressing notably possible open issues).</i>	Bureau
15:45	Break	
16:00	Focus on the directions we are taking for the second wave - College perspectives on how the current WP proposals would answer the College needs and what are the possible issues they see for the next steps of the selection process <i>Initial talks by RE and TSO college representatives (WMO views will already be shared during the IGD-TP Exchange Forum), followed by Q&A.</i> - Panel discussion with the 3 Colleges on “How our WP proposals complement each other to form a “programme” for the second wave of EURAD-2, and what criteria do we see as important for the upcoming selection steps” and Q&A.	College representatives Bureau
17:30	Break	
17:40	Wrap-up and conclusions	Bureau
18:00	End of the meeting
